

**Important: The first login must be done (!) in the browser (Chrome, Safari, Firefox,...)!**

1. To log in to the app, you must first enter the IServ server. For our school this is **obs-lieth-schule.de** (see also Figures 1 and 2).

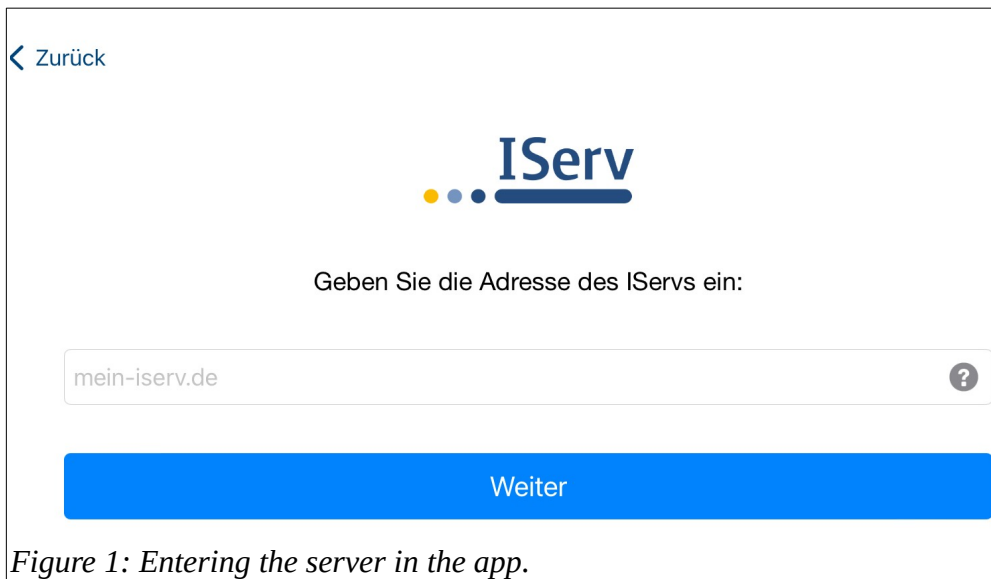

Figure 1: Entering the server in the app.

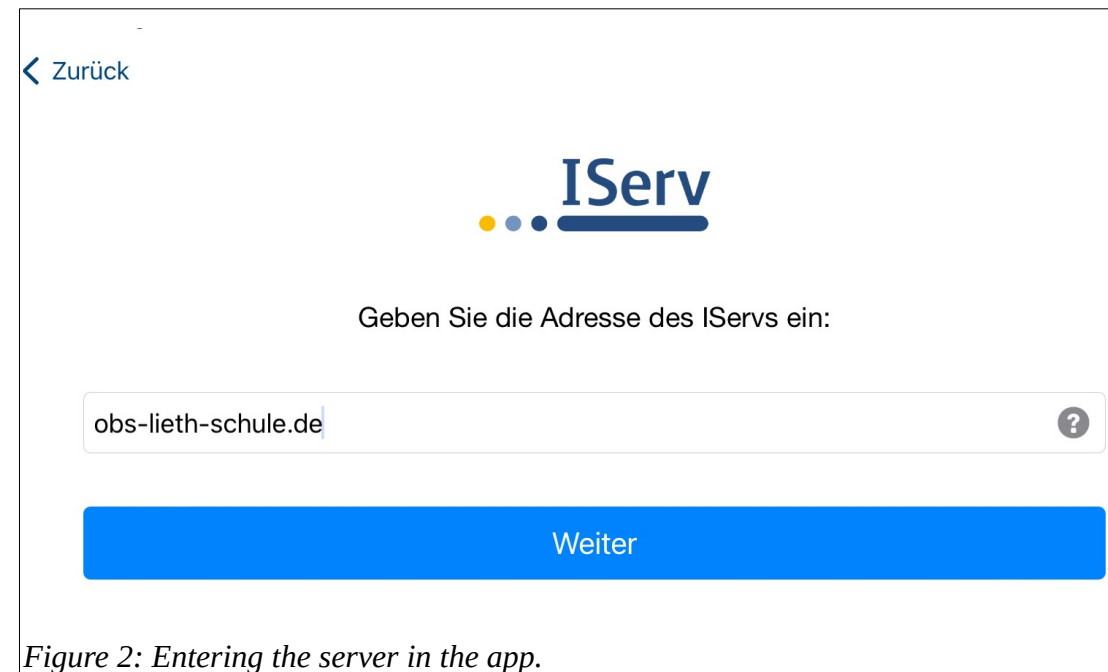

Figure 2: Entering the server in the app.

On the following page you have to enter your account name and password. Then press Sign in and the app is set up.

Anmelden

*Schaubild 1: Anmeldung in IServ mit Namen und Passwort.*

2. If you have more than one child at our school, you can manage the accounts for all children in the app. To do this, you need to add the other accounts. In the app, first click on the gear wheel (framed in red) at the bottom right and then click on Switch account.

The screenshot displays the Iserv app interface for the school **obs-lieth-schule.de**. The user is logged in as **Charlie Brown**. The main content area shows a greeting "Hallo Charlie!" and sections for "E-Mail" (no unread emails) and "News" (no news). A sidebar menu on the left lists various modules: E-Mail, Dateien, Adressbuch, Messenger, Kalender, Aufgaben, Videokonferenzen, Edupool, Office, Tafeln, and Aufgaben (with a notification badge of 10). At the bottom right, there are buttons for "Benachrichtigungen" and "Account wechseln". A red arrow points to the "Account wechseln" button, and a red box highlights the gear icon in the bottom right corner of the app's navigation bar.

## Benutzerkonten

A rectangular card representing a user account. On the left is a circular profile picture with the text "Lieth Lieth" below it. To the right of the picture, the text "obs-lieth-schule.de" is on the top line and "charlie.brown" is on the bottom line. A right-pointing chevron icon is on the far right side of the card.

 [Account hinzufügen](#)

To add a new account, click Add Account. You will now return to the registration. The login works for each additional account exactly as it is described under 1. From now on, you can always switch between accounts via Account Switch.
